Memo

To
Ministers in the Diocese

From
Bishop Austin Vetter

Re
COVID-19 Update

COVID-19 Update:

Governor Gianforte will drop the statewide mask mandate on Friday, February 12, 2021. After consulting the Diocesan College of Consultors and Presbyteral Council, I issue the following COVID-19 directives.

In the Diocese of Helena, our parishes, schools, and institutions, will continue to follow the health directives of the county health department in which they are located regarding mask usage, occupancy restrictions and social distancing. All other diocesan directives remain in force.
